

1.2	PCSO Woods also said there had been a speed watch recently. A hand held gun caught 2 speeders - both non-residents - could not be fined as not traffic officers. He felt that drivers could have been warned of the watch by others flashing their headlights - it was quite a high profile operation - will be doing more of them. PC Steve Jeffrey is still going to contact the highways re access only.	PC Jeffrey
1.3	Jason mentioned that at around 8pm people come flying passed the Pack Horse at around 60/70mph. Others stated that at various time in the evening there is a lot of dangerous speeding traffic. PCSO Woods said would definitely get in touch with traffic officers to see what can be done. Will need a van rather than a speed gun.	PCSO Woods
1.4	PCSO said there had been a couple of anonymous calls re underage drinking - the 2 girls previously reported had not been found - The local youths have always been friendly and approachable.	
1.5	PCSO Woods reported that there is an abandoned vehicle near to the park and 1 smashed up car. The vehicle with a cover on was asked to be looked at - this one has to be moved as no tax or insurance - being dealt with by police. The damaged vehicle is waiting for an insurance pay out and will therefore be left alone	
1.6	Kath mentioned dumping of tyres. Chris also said he was really annoyed - some tyres arrived Friday night blocking the drain. PCSO Woods asked if anyone had any idea who it could be - the response was no. Craig also mentioned further tyres had been dumped on the Grane Road.	
1.7	Diane mentioned that regarding stopping wagons coming through the village - still not being done as she has seen them. Jason re-iterated that he asked for people to report any large vehicles to the committee so that it can be reported back to Syke Mill. Diane was insistent that this must be stopped due to cottages having no foundations. Jason said it must be reported and Diane was quite prepared to knock on all doors along Belthorn Road to get a petition going.
